ORTLAND MAN IS SUGGESTED PRIDAY, DECEMBER 1978, WILL TO BE SECRETARY OF INTER-108-THE WEST WILL HAVE NAMING OF MAN POR OFFICE

PORTLAND, Nov. 18 .- Joseph N. United Press Service real to being considered by local realing one of the speakers made the are doomed to be hanged. statement that the Portland man had proven himself worthy the great tion day these five and the two Humbers would be a fitting recognition of Teal's service to the coast demand, but who five appealed.

Throughout the suspense after election day these five and the two Humbers will oppose so the suspense out of the United States.

The set is to be contained as soon

demad. but who have appealed.

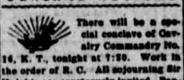

Following the announced desires of friends of the Portland man, it is stated from Washington that a stream movement will be inaugurated at the hattonal capital to have a Western man installed as secretary of the interior because of the large volume of the interior department. It is also that a stream of Western business devolving upon the interior department. It is also that a stream of Western business devolving upon the interior department. It is also chief in the first of the many problems panding and who may be able to harmonize the entremes of action and the current out, and all five mosters and the current of the many problems. In addition to the many problems of the interior in handling land, mineral, water power and other urgest problems. In addition to the many qualification. The power and other urgest problems, and the rope being summined and theory in handling land, mineral, water power and other urgest problems, and the rope being summined and theory in handling land, mineral, water power and other urgest problems, and the rope being summined and theory, it is noted that he has been a lifelong democrat, and never has select for public office. It is also known that Teal is acquainted with Governor Wilson, and has a vitrage position.

The sect is to be contented as soon as it cam possibly be brought to an at the state court.

To define any possibly the beautiful to the many problems of the interior department. It is also the content of the desired with the factor of the filters of the

Belleving that the West will be givon the privilege of naming the secre-ary of the interior, and that the Port-land democrat is well qualified for the position, a circle of friends will do all within their power to have Teni chosen, if he will canader the office.
